

Data Impact Plus

Unlock Your Data's Potential for Good

Progressive membership-driven organizations and labor unions are under immense pressure to achieve more, often with fewer resources. Unfortunately, many struggle with disjointed, underutilized data and lack the in-house capacity to transform it into actionable insights. The stakes are high, and your organization can't afford to waste time and resources on missed opportunities or inefficient campaigns. With a flexible, scalable data solution that empowers your team with on-demand data engineering and analytics capacity, you can focus on driving meaningful change and advancing your mission.

Your Path to Data-Informed Campaign Success

Step 1:

Technical Assessment

We conduct a one-time, multi-week guided engagement with your team. Led by industry experts who understand labor unions and progressive non-profits' unique needs, we collaborate closely with your organization to craft a modern, tailored data solution that aligns with your vision, mission, and capacity.

Step 2:

Tailored Dashboards and Real-Time Insights

We design and launch your customized analytics dashboards securely hosted at SolidarityScore.com. Our subscription analytics service brings your membership, organizing, communications, and other departments' data to life, providing on-demand insights that empower your team to make informed decisions and ensure your outreach is always on target.

Step 3:

Tackle Data Headaches and Launch Data-Driven Initiatives

We ensure your organization is equipped with the right data engineering and analyst capacity when needed to overcome long-standing data challenges or develop new solutions to meet immediate needs. Our team is your partner in designing, launching, and analyzing your data-informed campaigns.

We Know What It Takes to Optimize Your Data Strategy

Tailored Dashboards and Real-Time Insights

We design highly customized self-service dashboards that bring your data to life, providing on-demand insights that empower your team to make informed decisions and ensure your outreach is always on target.

Customized Messaging and Strategy Development

We recognize that moving people to action is not a one-size-fits-all proposition. Our team will partner with you to run and analyze targeted outreach experiments. These experiments are designed to determine which tactics and platforms are most effective for achieving your desired outcomes, allowing you to refine and enhance your approach and messaging over time.

Scalable Solutions Backed by Union Expertise

We combine union-side campaign expertise, industry relationships, and private-sector data proficiency to deliver instant capacity to your team. Our solutions are built to scale with your organization, so you can have more of what you need when you need it, and less when you don't.

Continuous Improvement and Strategic Scaling

As your strategy becomes more sophisticated, we help you scale your efforts and apply lessons learned to new campaigns. This ongoing process of measurement and refinement ensures that your strategies remain effective and your outreach continues to produce results.

Ongoing Strategic Partnership

We are your partner for ongoing strategic data support and a resource for refining your outreach methods over time to enhance effectiveness and drive measurable results.
